

Save Money with ENERGY STAR!

Clear River Electric & Water District (CREW) is offering a rebate of 50% up to \$1,000 per ENERGY STAR rated commercial-grade appliance. The following **ENERGY STAR rated commercial-grade appliances** would qualify:

- Dishwashers
- Fryers
- Ice Machines
- Holding Cabinets
- Cooktops
- Griddles
- Ovens
- Refrigerators & Freezers
- Steam Cookers
- Coffee Brewers

We also offer a 60% rebate, capped at \$5,000 per project for the following types of Commercial Energy Efficiency Projects:

- Weatherization-call our office to schedule a free energy audit. Measures that are recommended in the audit would qualify for the rebate.
- HVAC & Water Heating-products must meet Clean Heat Rhode Island's HVAC program's standard to qualify.
- Food Service Equipment Package- purchase two or more commercial grade ENERGY STAR appliance.
- Motors, Drives & Compressed Air Equipment-High efficiency equipment based on an energy audit recommendation.

For more information on how to qualify for an Energy Star rebate or rebate on an Energy Efficiency Project, please visit us on the web at: <https://crewri.org/conservation/download-rebate-forms> or call 401-567-1262 for more information.

**Funding is subject to availability and RI PUC approval,
please call the office before beginning your project.**
