

Please update your contact information by April 30, 2026.

Dear Clear River Electric & Water District Customers,

We hope this message finds you well. As part of our ongoing efforts to better serve you and ensure we have accurate contact information, we are asking all customers to take a moment to update their contact details with us. This will help us keep you informed and provide the best possible service in the event of electric outages, water main breaks, and to ensure the correct name(s) appear on your account for voting purposes at our Special and Annual Meetings.

Why is this important?

- Electric Customers: Stay up to date with notifications about electric outages.
- Water Customers: Receive updates on water main breaks and other important notices.
- Voting Eligibility: Make sure the correct names appear on your account, as you may have up to two names on your account for voting in District meetings.

How to Update Your Information:

We've made it easy for you to update your contact details! Please complete the attached form and choose one of the following options:

- Drop off the form/fill it out in person at our District Office located at 253 Pascoag Main Street, Pascoag, RI.
- Email the completed form to customerservice@crewri.org.
- Mail the completed form with or without payment to: CREW PO Box 107 Pascoag, RI 02859

As a token of our appreciation, anyone who submits an updated form will be entered into a raffle for a chance to win a \$100 credit on their account. One lucky winner will be drawn at random in May.

We sincerely appreciate your prompt attention to this important request. Your cooperation helps us maintain reliable communication with all of our valued customers. Should you have any questions, please don't hesitate to contact us at (401) 568-6222 or visit our office.
